Each Jo Malone scent was designed to be worn alone or layered with others to suit a mood season or occasion — perfect for Valentine's Day. A variety of lush and inviting scents await you — candles, shower gels, body oils, house sprays and colognes, like Honeysuckle and Jasmine Body Lotion and layering fragrance sets. Price: \$50-\$60.

**At Somethings Different Gifts:**  
We also found a dozen large Guava-filled Shortbread Hearts individually wrapped or an assortment in their deluxe gold linen box, which would make another sweet treat for your Valentine. They were also available in rum chocolate and white chocolate. 1/2 dozen for \$35.00, 1 dozen for \$54.00. Don't leave the store without their medium Signature Guava Jammies in a deepspace tin decorated with a fuschia bougainvillea spray. Price: \$22.50. Assortments available in cans up to \$85.00.

**At the Chocol-Art Shoppe:**  
For you guys who are going to pop the question, The Chocol-Art Shoppe has a sweet idea — take the engagement ring out of that boring store box, and pop it into their heart-shaped chocolate jewelry box, for a sweet treat, which hides an even sweeter surprise. Jenny Pierre-Smith says after your sweetie has allowed you to put the ring on her finger, she can eat the box that it came in — or share it with you. Price: \$7.50
